# Zone Meeting

To some, YEP is a way to say yes. For those of us in Lions, it's as acronym for our Youth Exchange Program. Lions Youth Exchange has a long history of holding to the first ideal of Lionism: "To create and foster a spirit of understanding among the peoples of the world." I feel there is no better way to get to know someone than to host them in your home. Hosting as youth from another country is an interesting, educational and just a fun thing to do. Kathy and I have hosted well over 20 times and it has been very rewarding. You truly can make friends that will last a lifetime.

Hosting opportunities come twice a year in our Multiple District. The summer exchange includes the northern hemisphere counties and the winter exchange includes counties such as Australia, Brazil, New Zealand and Peru. We need your help. Now is the time to commit to host for this winter. We have two girls arriving December 4th from Australia, Two girls arriving December 10th from New Zealand, Two girls arriving December 18th from Peru and a boy arriving January 15th from Brazil.

Contact our District-north representative, PZC Barry Martin (Everett North) for information on how you can host this season. Unlike other Districts in our Multiple District, our YEP Foundation has money to help support you in your hosting effort. When the hosting is complete, we will send you a small stipend to help defray your costs.

The next Zone meeting will be hosted by Woodinville at the Mountain View Community Center, 19008—168th Ave. NE. Start time is 6:30 PM. Woodinville has called in their famous caterer so we need a headcount a week beforehand. Presidents or Secretaries—please call Lion Buzz with your club total so the caterer can order food accordingly. We appreciate your assistance with this matter. Our program will talk about how to work with people with disabilities.
