Macy's Parade

What could be better suited for Lions than a community service project that both, serves the community around us and raises money for use in our Zone. That is what the Macy's Parade does for us. We were asked to help as parade marshals a few years ago when the prior group was not getting the job done. Our Zone took it on and it has turned into an event for all of us.

Macy's supplies the red rain ponchos, we supply the hats. Macys let us paint a Lion logo on the front so we can get some recognition. We as a Zone must supply the people. Does it need to be only Lions? Of course not. Make this an after Thanksgiving tradition in your house. Come, bring you family friends or co-workers 18 and over. Join us as we lead the floats through the parade.

The sign up meeting will be held November 9th at the Lake City Community Center, at 7 PM. Please try to be there if you are thinking of participating. We have a new planner this year so please try to be there.

Presidents/Secretaries:

I would like to use this space to introduce one of your newest members. Please send a short bio to me with your monthly report, each time you have a new member. Every month, I will pick one and put them into my monthly bulletin so that we can all learn a little about them. That way we will get to know your member and your club will get recognition for the good work you are doing by bringing new people into Lionism.

Zone Meeting

The next Zone meeting will be hosted by Lake City at the . Start time is 6:30 PM. This will be an Advisory Zone meeting. Presidents, secretaries and all members are invited to attend. Our program, thanks to Lion Red Bingham, will be from the Sight and Hearing foundation to bring us information before Golden Ear Days. In the past few years some of the clubs have stopped supporting this event. Please consider the value of their work and how we can support that endeavor.
